ABOUT US

V-Excel Educational Trust is a registered public charitable organization based in Chennai, committed to providing lifespan services, education, and inclusive opportunities for individuals with special needs. With four centers in Chennai and outreach in Maharashtra (Nashik, Pandharpur and Solapur) and Tamil Nadu (Erode, Kolapakkam, Pollachi, Srirangam, Tirunelveli and Tiruvannamalai), V-Excel supports persons with disabilities (PwD), especially those on the autism spectrum and those with cognitive challenges.

Our mission promotes social inclusion by bridging opportunities between people with and without disabilities, while offering families peace of mind through support systems that foster independence and dignity.

the creators

At V-Excel Educational Trust, every item you see in this catalogue is more than just a product — it is a symbol of dignity, creativity, and empowerment. These lamps, candles, rakhis, rangolis, and festive accessories are lovingly handcrafted by individuals with special needs, who bring their own unique artistry and dedication to each piece.

By choosing these products, you are not only bringing home something beautiful and seasonable, but you are also supporting a larger mission: to create meaningful livelihoods and celebrate the talents of people who are often overlooked.

Your purchase directly contributes to:

- Vocational empowerment — providing training and income opportunities.
- Inclusive growth — ensuring individuals with special needs are recognized for their skills.
- Community impact — strengthening a culture of acceptance and respect.

Every lamp that glows, every rangoli that brightens a doorstep, and every candle that spreads fragrance carries with it a story of resilience and hope.

We invite you to support our cause by buying these products and sharing in the joy of inclusion.
